Discussion about the website was heard and Eric Van Winkle offered to follow up with the Augustana Web Guild to see what is possible.

Some members expressed concern about having club videos publicly available especially on You Tube.

There was a discussion on managing the club keys, perhaps a central lock box with touch pad access.

Jim Granger wanted to know the status of the rimfire range and offered some ideas.

Jim Champion would like to find a graphic artist to add overlay to an updated aerial of the club and have it printed to replace the old one.

The meeting was adjourned.
