Junior Smallbore: Wayne Marker stated there will be a shoot for interested Juniors on October 5th and requested it go out in a Club email.

MPS: Done for the year outside and pistol the rest of year.

PPC: Going OK.

Smallbore Silhouette: Going well.

Smallbore: Starting in November.

YSSA: Bill Peterson stated they had lost the coaches and students and he will be working with Wayne Marker to get some juniors interested in shooting.

Pop & Snacks: \$200. Turned in.

Grounds maintenance: Floor scrubber is getting fixed.

OLD BUSINESS:

The new roof work is done and paid for.

Discussion was heard on another incident of errant rounds on the Conventional range and it was decided it would be our #1 priority in the Spring of 2023 to create a solution. Signage will be kept up to state No shooting forward of the firing line. A suggestion was made to use the structural beams from the 600 yard berm when it is replaced as a possible solution with baffles.

Drain tile was added to the Smallbore range and signage was installed to state "Coming Soon".

Drainage will be put in on Bay 9 of the Competition range.

Water tested by Rock Island County was Satisfactory.

Brockhouse pump adjusted pump in new well because water level height was different than stated. They will re-check in a few weeks.

The 100th year items were tabled for this month.

NEW BUSINESS:

Bill Peterson from YSSA, stated he was looking into trying Black Powder guns and would check into it further. He also stated he may want some times set up for events and was told to bring more information to the Board meeting next month when the calendar is set in October.

Jim Champion stated he would like the Temperature light on the Scoring building to be moved to the front rather than the side.

Terry Spurrier made a motion to approve having it done and Bob Scheer seconded and All the Board OK'd.

Jim Champion stated he could get the 2 restrooms and closet in the indoor range coated with polyaspartic finish for \$750. and

Terry Spurrier made a motion and Steve Mathias seconded and All the Board OK'd.

Jim Champion will get an estimate to run conduit across the Maintenance building to have future circuits in the Tractor Shed and Benchrest in preparation for new gas barrels installed on a new concrete pad eventually.

The meeting was adjourned at 7:35.
