 - The Hellcat Pro was won by Melissa Meier
 - The Echelon was won by Tim Debaene
 - Reserve ‘The Rock’ for next year? That would be January 5th, 2025. Cost will be \$650
- Salvaged Timbers

 - Protect 200yd Conex?
 - Build up competition berm(s)?
 - Build up benchrest south berm?
 - Protect repaired impact areas in walled ranges – i.e. block the “ramps”?
- Changes to Meeting Minutes Procedures
 - Joyce would like to use the following process to handle meeting minutes:
 1. Send minutes to officers and ask them to read by certain date
 2. Give deadline to offer corrections
 3. No corrections, minutes would be added to website as ‘Proposed Minutes’
 4. If there are proposed corrections, return to step 1.
 5. Once the minutes cycle has run its course, we could approve the minutes without reading them.
 - There would be some benefits to this process:
 1. This would save time at the monthly meeting
 2. This would make last month’s minutes available to the membership much sooner
 - If board members want a hard copy, they can print their own.
- Get Google Account for General Club Use
 - Use for MidAmerican, dumpster, port-a-potty, Mediacom, propane, etc.
 - Stays constant as officers and/or responsibilities change
 - Provides Google Drive and Google Photo storage as well.
