New Business

- Do We Need to Raise Dues?
 - Our current run rate is over \$7,000 per month – over \$84,000 per year. Two (2) years operating reserve is \$168,000)
 - Our expected membership revenue is \$135,000 (\$90 average / member x 1,500 members)
 - This leaves us with about \$50,000 for maintenance and/or improvements
 - How about lowering expenses? What can be cut and/or reduced?
