Smallbore Silhouette: Going well. Turned in \$151.

Smallbore: Done for the year.

YSSA: Out for the Summer.

Pop & Snacks: Doing OK.

Grounds Maintenance: Covered in New Business.

OLD BUSINESS:

Jim C. stated the door closer is broken on the 50 foot Entrance door but the door is being replaced the end of July so that will be taken care of then.

Jim C. also stated the 200 yard range work is pretty much done and the silt sock has been installed. Seed and straw mat is needed

to finish and that was not included in the original estimate. The 300 feet of 18 inch drainage tubing was installed on the Cowboy range. The extra dirt, that was removed to install the tube, was placed on the top of #8 Bay berm. It will run around \$1000. to seed and straw mat the moved dirt. Terry Spurrier made a motion to pay the total of \$1500. To do the work and Joyce Taylor seconded and all the Board OK'd.

Jim Granger gave a report on the status for the Small Bore Range upgrade. The project will be a 2 year project and a very rough estimate for both years will be \$129,655. The dirt work, seeding and tree work is planned for this year. Next years rough estimate will be \$16,000. for concrete slab, \$45,000. to \$60,000. for roof structure, \$5,000. for rock, \$8,000. for benches and \$5,000. for stands and extras. These are all estimates not bids. He submitted the lowest bid for seeding and erosion blanket for the 3 acres of dirt work. The bid was \$11,755. from Bush Sports Turf and Joyce Taylor made a motion to accept the bid and Steve Mathias seconded, all the Board OK'd.

Jim C. stated the 25 yard ventilation system is done now and they will give training on how to operate it effectively. The maintenance proposal that was approved in May will start on July 1, 2022. The final payment will be made now.

Joyce Taylor will check with Brockhouse Pump on getting the water tested for potability and also Paul Reinartz will do a water test on creek and Steve Mathias will store it in safe.

Eric VanWinkle stated there is nothing new on the website upgrade at this time.

The caps for the 100th year celebration were discussed via email and confirmed at the Board meeting and it was suggested to get pricing on ones that are Made In USA, solid, olive drab, white lettering and a flag on the side of it.

NEW BUSINESS:

The Grounds Maintenance crew has asked for \$450. to purchase tools needed for maintaining equipment. Joyce Taylor made a motion and Terry Spurrier seconded and all the Board OK'd. Discussion was heard on a member, Jake Pries, wanting to do training for profit. The Board voted No to his proposition. The neighbor, Phil Scott, had went to Rock Island County Zoning Board to request a hearing to change zoning from AG2 to a Residential zoning on his acreage he was wanting to subdivide into 7 each, 5 acre lots. On June 15, 2022, Jim C., Steve Mathias and Joyce Taylor attended the meeting and several of the neighbors were there to hear what the zoning board had to say but Mr. Scott did not show up so at that point it was dropped and Mr. Scott will need to petition again and start all over. There was a suggestion made to sell the Doolittle dump trailer and purchase a smaller utility trailer. It was tabled for now. The meeting was adjourned at 7:25.
