Call to Order (Jim C.)

Pledge (Jim C.)

Welcome and General Announcements (Jim C.):

- We changed how we do door prizes. Instead of buying lots of low value items, we opted to use that money to purchase a gun. This year it is a Garrison 1911 from Springfield.
- You received a door prize ticket when you entered. When the door prize tickets are drawn, you will get your choice of the remaining door prizes.
- We are raffling two (2) guns donated by Springfield Armory. They are a **Hellcat Pro**, and an **Echelon** - both in 9mm. You can purchase raffle tickets, for \$10 each, at the table over **there**
- All winners will need to present their driver's license, and if you are an Illinois resident, your FOID card, to be declared the winner. This means you must be present to win.
- A quick reminder that your membership card needs to be prominently displayed when you are on club property. We have several types of holders for sale in the 25yd indoor range. They are \$1 each.
- Also, you can look at the agenda for upcoming meetings as well as the approved minutes from previous board meetings in the '**Members**' section of our website. Look for the link at the bottom of any of our web pages. You login using the annual gate code.
- Now I would like us to observe a moment of silence to remember those members who left us in the past year . . .

Treasurers Report (Jerry K.):

Membership Report (Terry S.):

Thank You (Jim C.):

First of all, our club wouldn't run without our volunteers. It is the volunteers that keep our club running, as well as neat, and tidy. Without them, our club just wouldn't function. As I call your name, please stand:

- Our current board (Bob Scheer, Jeff Siirila, Terry Spurrier, Joyce Taylor, Even Umphrey, Jerry Kristan). Would also like to thank Jody Spurrier for all the work she does helping with membership, calendar setting, and sending out the email notifications.
- The Discipline chairs:
 - These are the folks that give their time so that you can participate in those disciplines. Not going to name them all, you can look on the Web site. You will hear from many of them today as they provide a summary of their activities.
- Maintenance crew:
 - These are all the people who fix things and do all the little things that keep the club functioning smoothly: Roger Miller, Jim Granger, Ken Nelson, Stan DeMay, Chuck Hovonick, Jim Dugan, Allen Furrow, Steve Mathias, Mel Block, Matt Bollman, Mike

Debacker, Mark Carlson, Dale Mueller, and others I've forgotten – and my apologies to them.

- Cleaning crew:
 - These are the people that clean the toilets and the indoor ranges: Jerry Kristan, Dave Pierce, Nick Pappas, Joyce Taylor, Arlene Ries
- Mowing crew:
 - These are the folks that start mowing at Oh-Dark-Thirty on Thursdays to keep the club looking so nice: Dan Winters, Dick Hunt, Jeff Preston, Ken Nelson, Bill Myers, Dennis Lage, Doug Peyton, Tim Davis, Nick Mano, Rich Parker, Tom Whitmarsh
- Anybody who has a volunteer membership – please stand

Remember, we are a private that relies on volunteers to keep it running at a reasonable cost - **Just look at all the people standing.** They all deserve a round of applause.

Also,

- Springfield Armory donated two (2) of guns we are raffling today and also gave us a great deal on the 1911 we purchased.
- B & B Hardware: They have stored the guns that Springfield has donated to the club and will be processing the paperwork. Reminder, the winners will need to pay the transfer fee and follow all the appropriate state and federal firearms laws.

This said, if you want to stand next year, there are sign-up sheets for 4 different maintenance projects at the club at the raffle table. These are 1-time projects, not a lifetime commitment.

MRC Annual Meeting Agenda – 1/7/2024

Project review (Joyce):

Here is a quick rundown of the projects we completed this year at **your** club:

- Smallbore Range Completed.
- Rebuilt The 300/600 Pit
- Fix Walled Range Impact Areas
- Replaced Footbridge to 200yd Pit
- Developed Interim Fix for The Conventional Pistol Range Safety Issue
- Forestry Program Restarted
- Painted the 25yd Indoor Classroom

Please attend the board meetings if there is something that you feel needs doing. It is your input that provides the direction to the board.
