

MRC 2017 Training Schedule

The Milan Rifle Club will be presenting these training courses in 2017.

All MRC courses will be for MRC members and family only and limited to 20 students. The class fees will be the cost of materials. Future courses will depend on demand.

All NRA Instructor and RSO courses will be held at Loud Thunder Boy Scout Camp, with range time at the Milan Rifle Club. Because of a lack of demand for both the BSA and the MRC Instructor and Range Safety Officer courses we have combined the two courses to hopefully get the minimum number of students to give the courses.

The first course will be the NRA Basic Range Safety Officer Course.

The course will be held at Camp Loud Thunder on February 26th. This is a 9 hour course beginning at 7:30 A.M. This course introduces students to: the role of Range Safety Officers (RSOs); range Standard Operating Procedures (SOPs); range safety briefings; range inspections and rules; emergency procedures; and how to clear firearm stoppages and correct malfunctions.

Upon successful completion of this course and the recommendation of an NRA Training Counselor or Chief Range Safety Officer you may apply for NRA certification.
