- Junior Smallbore –
- MPS –
- PPC –
- Smallbore Silhouette –
- Smallbore–
- YSSA –
- Pop & Snacks –
- Grounds / Buildings –
 - Do we want to go to 80% cattle panel in the walled ranges?

Old Business

- Project for Guy Johnson memorial gift
- 600yd Pit Rebuild:
 - Joyce Taylor presented a plan developed by High Power shooters.
 - Cost estimate is \$50,000
- New overhead map w/graphics: Current picture is way out of date
 - Move to south side.
 - Wait until smallbore range complete
- Springfield Armory Range Rental:
 - Raffle 1 at January 2022 annual meeting, 1 for possible use at 100-year celebration
 - Need to ask B&B to hold the guns until then
- The orientation video needs updating:
 - 25yd and 50' entry door instructions
 - Ventilation system operation
 - Stress no SG on plywood target backers
- Rebuild Toilets and Replace Faucets Top Bathrooms
 - We have good water now, so rebuilding the toilets and replacing faucets make sense.
 - Plumber or volunteer?
 - Toilet rebuild kits are \$25 each, commercial grade Delta 2 handle faucets are \$100 - \$150 each.
- Old well out, cut down and closed.
- Project for John Miller's money: Looks like \$14,000 is available.
 - 4+ person golf cart from Harris Golf Cars in Dubuque
- Replace Doolittle Dump Trailer with a Utility Trailer
 - Few people have a truck that can tow it (GVW is 10,000 lbs.). It is 6' X 10', and weighs 3,000 lbs. empty.
 - Hasn't been used in several years. If we need rock, dirt, sand, etc. I think we would have it delivered.
- Move Dead Trees to Creek Bank:
- Conventional Pistol Range Safety Issue:
 - Another occurrence of errant rounds on 7/30 (Sat)
 - 15yd and 25yd baffles need repairing
 - Checked the black plastic on back of last baffle and a dozen holes through the plywood and belting.
 - We need new 50yd baffles to mitigate some of the risk
 - Don't allow shooting forward of firing line except for matches/formal practice?

- New Lock for New Bathroom:
 - The new lock can be left locked when you leave. Have to use key to regain access.
 - Need to replace with “panic” lock that can’t be left locked when you leave.
- Smallbore Range Status:
- Competition Range Bay 9 Drainage:
 - Paul Reinartz will contact Wildt Excavation about adding some sort of drain in NW corner of bay 9.
- New Well Status:
 - There is a low temp alarm light on the exterior west wall. Need to mount sign.
 - Nate Brockhouse says there is a pump issue that he will correct.
- Website Review:
 - The “Go Live” was Monday, 8/22
 - Eric is the contact for all things website.
- 100th Year Items:
 - Jeff Siirila has volunteered to manage this.
 - Send out survey to see if membership wants a “do”
 - We have ECI’s with a commemorative logo – 1,000 rifle and 1,000 pistol.
 - Steve Mathias will get pricing for caps

New Business

- Roof Inspection Results:
 - The 50ft range roof is shot, but 25yd range roof has some years left in it
 - Bids for complete new roofs ranged from \$45,250 to \$64,257
 - Bids for just the 50ft and connector range from \$19,797 to \$35,877
 - 3-tab shingles are very hard to find and do not carry the same guarantee as architectural. Every company said to use architectural.
- How Many Club Members Compete?
 - Do we really want to know?
-
-
