COMMITTEE REPORTS:

Air Gun Challenge: Going well.

AR Competition: Last shoot went well.

Black Powder: Struggling with low attendance.

Bolt Gun: No report.

Bullseye: No report.

CMP/DCPM: Next match July 8.

Cowboy: Almost finished with Stage 9, 125 people registered for State match.

High Power: No report.

Milan U18: No report.

MPS: Going OK.

PPC: No report.

Smallbore Silhouette: Going well.

Smallbore: No report.

YSSA: On calendar for Tuesday nights.

Grounds / Buildings: The Cowboys asked for some C6 rock for the Competition range and it is also needed in different areas around the Club. Currently there is no weed spraying because of the drought. A conex has been placed near the Upgraded Smallbore range.

OLD BUSINESS:

The Upgraded Smallbore range is going good, there have been 2 shoots already. Jim Granger requested an official opening on July 1st at 1:00PM. It was approved and will be added to the Club email. A suggestion was made to carry an orange cone down range by the shooter to check the target then bring it back when returning, it was agreed that it would be a good idea to try it. Also it requested to leave a couple silhouette racks up on the range during the week and

Jim C. stated that would need to be cleared with the Grounds Crew first.

Jim C. stated the overhead graphic sign is quite outdated, it was decided he would check with Hale Printing to find out if they do that kind of work.

Decisions are still being worked out for correcting the issue on the Conventional range rebuild for safety reasons. IROCC has been moved to the 50 foot indoor range for now.

The 600 Yard Pit Rebuild will be followed up on in August.

Waiting on the new Forestry plan from the Forestry Consultant. Joyce will follow-up with the consultant.

Jim C. will follow up with Tim Klauer on the target re-frame building project.

Items not taken from the 200 yard shed will be destroyed.

Tuesday nights will be added to the calendar for YSSA. They will do a write-up for the website.

Jim C. is working on getting the 50 foot range door keypad replaced with one that will not continually wear off. He is awaiting news on it.

NEW BUSINESS:

Bob Scheer is getting quotes on cardboard for the targets since we are out and lost our source.

Discussion was heard on the fact that we need a cardboard management system since some are being wasted and could easily be re-used.

The meeting was adjourned at 6:50.
